THREE SIZES

The Original and Best Combination Range

Ten times as many in use as all other makes combined. *Over four thousand* in use in Chicago and vicinity. We guarantee the M & D Combination Range to *bake quicker and better* and to save from 25 to 50 per cent in fuel over any other range made,

The Gas Section of the M & D Combination Range has the *quickest baking oven* in the world, with two separate burners. After the oven is sufficiently heated by the two burners, one can be turned off and the baking can be done by the one burner, economically. We manufacture our Combination Range with or without Ventilated Roll Curtain or Canopy. Either Section works independently of the other, and they are perfect in their operations when used together.

CONFIDENCE

THE present and preceding generations have bought pianos, organs, other musical instruments and "everything known in music" from Lyon & Healy to the extent of fifty million dollars. This has enabled Lyon & Healy to build up what is much the largest business of the kind in the world.

In buying dry goods, clothing, footwear, or other everyday articles, you become a judge—almost an expert—and you are pretty safe in depending largely upon your own judgment. Not so when it comes to purchasing a piano. Many pianos are not worth anything like the price asked for them, yet, being made expressly to sell, the detection of their shortcomings is difficult to the average purchaser, who buys but once in a lifetime. . Hence, the absolute necessity of buying from a house in which you can have the fullest confidence. The record of our sales during an unbroken business career of over forty years under one and the same management is the ground upon which we ask your confidence. :: :: ::

PREFACE.

THE Fifteenth issue of the CHICAGO BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the CHICAGO BLUE BOOK as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches, etc. We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about twenty-two thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

The title, "BLUE BOOK," is given the work because of its *blue* cover It does not refer to blue blood, as many people suppose. Webster's

6

definition of Blue Book is as follows: "BLUE BOOK—A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pains to secure.

Best Meals on Wheels

Rock Island meals
Are the best on wheels.

Fix this little jingle fast in your memory. Some day it will be useful.

Some day you will go West—to Omaha, Kansas City, St. Joseph, Denver or beyond. You won't know which line to take—until you remember that

Rock Island meals
Are the best on wheels.

Then you'll know.

Seriously, though, the Rock Island's dining-car service is superb; the cleanest of clean linen, the finest of china and silverware, and waiters and cooks who "know how."

Builded Upon Water

THE handsome modern hotels at French Lick and West Baden were built to accommodate the increasing thousands that go to take the wonderful curative waters of these twin resorts.

For toning the system and curing bowel, kidney, stomach and liver affections the natural waters of these springs are unequalled by any in the world.

There are ten of these medicinal springs having different degrees of strength and different properties.

In addition to the health-giving waters these resorts have climatic and scenic advantages possessed by no others in Europe or America — splendidly wooded hills, fine scenery, good roads for rides, drives or walks and, above all, pure bracing air that is a tonic in itself.

All modern residences and apartments are equipped for its use, and a large percentage of these are now using it.

Cheaper than gas if used judiciously—without waste.

Where used for lighting, Electricity may also be utilized for operating electric fans, electric stoves, electric chafing dishes, curling iron heaters, flat irons, and in numerous other convenient ways.

If your residence is not wired, we will wire it for you at small cost.

We carry, at all times, a complete line of Electric Lighting Supplies.

THE "National" is the name of a new metal weather-strip for windows, which the manufacturers claim is the most practical, effective and economical weather-strip on the market. It is made of metal and constructed in a manner that renders it practically indestructible and will, therefore, last a lifetime; needs no repairs and gives absolute protection against the most vigorous winter weather as well as keeping out all dust and soot. Prevents all rattling of sash and lessens outside noise; makes the sash run smoothly and does not disfigure the window. When compared with actual results the cost is reasonable. The "National" has been put on the windows of a great many of the finest homes and office buildings, both new and old, in many of our large cities and is pronounced a success by those who have used it.

FRANK MARSHALL, 415, 52 Dearborn Street
Representing the "National" for the State of Illinois, will gladly give estimates or any information desired.

Drink a Water—Not a Drug

PURE CHIPPEWA SPRING WATER

From the celebrated Spring at Chippewa Falls, Wis.

THIS water is the most excellent of all Table Waters, combining the life of the most brilliant of mineral waters with the purity of distilled water. Other spring waters on the market contain a large quantity of minerals in solution (as shown by their published analysis). These minerals are Drugs. In the majority of these mineral waters *lime* predominates. Lime is the most harmful of all substances that can be taken into the kidneys. DISTILLED WATER is free from minerals, but is a *dead water* from which the oxygen has been removed. Fish cannot live in distilled water, and its continued use is harmful to the human system. :: Chippewa Spring Water is bottled and sealed at the Spring, and delivered to all parts of the city by the

POLAND SPRING HOUSE

HIRAM RICKER & SONS

SOUTH POLAND, MAINE

For over half a century this wonderful water has been subjected to every conceivable test, only to emerge each time with new honors and added friends. The following testimony is from one of the most celebrated physicians of Evanston, Ill.:

EVANSTON, ILL., April 7, 1902.

Almost every physician knows the value of Poland Water in Kidney Stone. I have used it for Gall Stones for twenty-five years, with a cure in every case without exception. I have my patients drink very freely of Poland Water, even make their tea and coffee with it. I generally prescribe ten gallons and have them drink it until it is gone, although after using it for two or three days complete relief is felt.

On My Dressing Table

I must keep the book "The Care of the Hair," by Marie A. Ginner. It tells how to care for my hair daily, so as not to lose it.
I must also keep a bottle of Shampoo on hand, as it keeps the hair healthy and beautiful.
I must keep a jar of Scalp Food for use, to renew the growth of the hair.
If my hair does not feel as it should, I must go to Miss Ginner for a few treatments, to give it a good start, and then keep it so, and I will never have poor hair.

CONFIDENCE

THE present and preceding generations have bought pianos, organs, other musical instruments and "everything known in music" from Lyon & Healy to the extent of fifty million dollars. This has enabled Lyon & Healy to build up what is much the largest business of the kind in the world.

In buying dry goods, clothing, footwear, or other everyday articles, you become a judge—almost an expert—and you are pretty safe in depending largely upon your own judgment. Not so when it comes to purchasing a piano. Many pianos are not worth anything like the price asked for them, yet, being made expressly to sell, the detection of their shortcomings is difficult to the average purchaser, who buys but once in a lifetime. Hence, the absolute necessity of buying from a house in which you can have the fullest confidence. The record of our sales during an unbroken business career of over forty years under one and the same management is the ground upon which we ask your confidence. :: :: ::
